Sermon Discussion Questions

Have you considered your calling as a Christian to be one of proclaiming the Kingdom of God? Why or why not?

What are some areas in your life where you might want to engage in Kingdom of God work but feel overwhelmed or unsure God could use you?

Can you share a story of how you've seen God provide in a past situation that felt overwhelming or impossible?

In the same way that Jesus was able to use the disciples' bread, fish and abilities (count to 50, distribute food): how have you seen God use your gifts or efforts to accomplish Kingdom purposes?

Are there things you feel called to try in the coming weeks that Jesus could use to bring the Kingdom to bear in the places God has called you?

The Lord's Supper was highlighted as a place we can experience/return to Jesus' presence to be empowered for Kingdom work.

What are other ways we can experience the presence of Jesus?
