Sermon Discussion Questions

When you read through Galatians 6:1-10, what stands out to you? How did today's sermon help you to understand what Paul is saying here?

What are the stories you have that that impact the way that you approach relationships?

When are times when you have been mended by the community around you? Looking back, how can you see God working through the words and actions of his people?

What sort of things would like to see "sown" into this community group? The life of our church? How can each of us individually take part in sowing to the Spirit?

Take a few minutes to pray and ask the Spirit to help us not to just receive the gospel story but to also live it out together, as well.
