Sermon Discussion Questions: Luke 1:26-38

What is something that stands out to you from today's sermon or the sermon passage in itself?

In what ways do you think that you're tempted to look for ultimate joy, peace, and love in the idols of family or materialism?

Where do you find yourself feeling cynical about the message of Christmas?

How can the message of Christmas help to erode that cynicism?

How can we be praying for one another?
