**Sermon Discussion Questions: 1 Samuel 16:1-13**

What stood out to you from this week's sermon and sermon text?

Where do you most feel the temptation to make your outsides the main thing over your insides?

Can you tell about a time when you have seen someone who looked good from the outside fail because of what was going on in their heart?

Why do you think that this is such a danger in a church like ours?

How does looking to Jesus as the one who makes your heart clean create the space for us to have church community that is genuine and honest?

What would look different about our church if we more readily embraced the heart cleanness that God provides? How would that shape our community group? And how would that flow into the life of our city?
