Sermon Discussion Questions: Ruth 1

What did you take away from today's sermon and scripture passage?

Have you ever had a season of loss? If so, can you share that?

When she suffers, Naomi wrestles with a struggle to see her identity, as well as God's faithfulness, even though it is right in front of her. Are there other ways that you've wrestled with suffering? How did God meet you in that?

How does it help you to know that when you suffer, the hand behind that was also crucified for your sake?

How can we be praying for one another?
