Sermon Discussion Questions: Ruth 3

What stood out to you in this week's sermon and sermon text?

What sort of trials have you experienced and how did they reveal your heart?
Shape your walk with Christ? Or show you God's character?

How does knowing that Jesus is redeemer who has faced the trials of suffering
and the cross for our sake help you to endure trials when they come?

What sort of trials are you experiencing now and how can we come alongside
of one another?
