Sermon Discussion Questions: 1 Samuel 24:1-22

What about this text stuck out to you? Did God put anything in particular on your heart and mind from this passage?

When have you been tempted to take things into your own hands – in your schooling, in your family, in your work life – and not wait on God's provision and God's timing? (1 Samuel 24:6)

David was not willing to raise his hand against the Lord's anointed, in this case, Saul. How seriously do we value Jesus, the Lord's true Anointed One?

How can we better live between the "already and the not yet?"

Jesus endured a life of suffering and temptation but was without sin, to gain the crown that we will be given to us. How can you make this more real in your Christian walk? (James 1:12, 1 Peter 5:4, Revelation 2:10)
