**Sermon Discussion Questions: 2 Samuel 7:1-17**

How do you think that the Lord spoke to you through the sermon,  
or scripture passage?

What are some highwater marks of your life? Did those ever motivate you to try  
and do some big thing for God?

What are some ways that the Lord has been radically generous to you?

Simon said that a home is a place of warmth, connection, safety, life, and love.  
When and where have you experienced that in life?

Have you ever thought of God as your true home? If not, how might that shape  
the way that you pray or repent of sin?

How can we be helping one another to make this group feel "homey"?
