**Sermon Discussion Questions: 2 Samuel 9:1-13**

When you think of power, is it positive or negative? Scary or helpful? When you think of a person in your life who's powerful, what is that person like? How does this view of power shape how you view God?

Who's someone in your life who has power yet threatens you? Why are they threatening?

Jesus set the stage for us to follow him in his serving people who threatened him. How can you serve the people that you've named above as Jesus served you?

Jesus came to serve and save those who are weak. What makes you feel weak?

How do you try to hide from your weakness? In other words, how do you try to show Jesus and others that you're worthy of his love and acceptance?
