### *God's Promise within the World's Turmoil*

Passage: Exodus 1:8-22

1. Have you ever experienced in life an environment/place that seemed beautiful at first but eventually became of pain? How did you experience God in that place?
2. In what ways do you see God at work within the society we live in today?
3. Fear is defined as, 'an unpleasant emotion caused by the belief that someone or something is dangerous, likely to cause pain (physically & psychologically), or a threat.' (Dictionary.com) In what ways has fear played a factor in producing outcomes in your life? How has God's love help you overcome fear?
4. Despite the circumstances of God's covenant people, God maintained his promise to make a great nation and lead his people to the land he prepared for them. How have you experienced God fulfilling his promises in your life through tough times?
5. Exodus 1:17 states, "But the midwives feared (respect, reverence) God and did not do as the king of Egypt commanded them but let the male children live." Can you share a time when you had to stand firm on the Word of God, even when you felt obligated or pressured to do otherwise?
